Support community evolution, age-demographic of Four Elms will elongate & no longer represent a cross-section of society.	11
village will lack vibrancy & slowly deteriorate with an ever increasing elderly population or well-to-do London commuters who can afford the existing housing stock.	3
We need to support affordable housing for locals	2
I hope there will be a reasonable balance such that young people on low incomes can also access the proposed homes.	2
Location is ideal	1
current residents of Four Elms have a responsibility to preserve the future character & sole of our village by providing affordable rental accommodation	1
focal point of FE has transferred organically from the pond/cross-roads/old petrol station	1
The B2027 Bough Beech road, although a relatively busy thoroughfare, is significantly safer than Four Elms rd, with no road-side parking and good visibility.	1
I welcome any opportunity to bring new housing to our small community	1
Great idea, wrong location	1
good to improve inter-generational mixing for a whole variety of reasons, all connected with a sense of well-being.	2
Very disappointed to see a Facebook group already set up in opposition to the plan	1
I would love to have my own place in the village but can't afford it	1
The location will be very pleasant for residents.	1
The appearance of the housing looks good.	1
This is a good and necessary proposal and I support it whole heartedly	1
Hi i am very interested in this scheme	1
I think it's a great idea and let's get on with it.	1
The need for social housing is common knowledge throughout the land.	1
a very good scheme,	1
been searching for an affordable home in the area for some time without success.	1
Village needs people of all generations, social classes and abilities to enable it to thrive, not just become a dormitory village	2

There is a great need as young working class peopole have to move away because of housing costs.	
Affordable housing for locals is a good initiative, providing younger people and their families with the opportunity to stay in the village	2
Lovely idea for locals	1
Local workers cannot afford to buy, rent or retire here.	1
Love to able to live in parish of Hever but cannot afford to do that.	1
Extra benefit less cars on the road or shorter car journeys as some workers travel quite long distances.	1
Families who want to be near their parents to help with childcare	2
There should be no place for 'nimbyism' in modern society	1
Strongly in favour of providing affordable housing for local residents.	1
Parish out to offer a spread of housing and this should include affordable housing.	1
I hope this proposal is successful, there needs to be affordable housing available to rent in the village	1
I support this proposal, its ideal for locals who wish to remain in the area.	1
It looks like it will be a very nice place to love.	1
I work locally, but only afford to live 40 mins away, being closer would be amazing.	1
