Notes in no particular order

Duplicates - Could be partners or one person duplicating, or members of same household with same email address.

Some were because a Leaflet, Email/letter and online questionnaire had been filled in

2 anonymous, several anonymous type email addresses with no contact information.

Margin of error because of duplicates/anonymous

Yes - to support Because of the way the question was worded, it will include support the location and the project

Nos - objecting Because of the way the question was worded, they are saying no to the location, not necessarily no to the project (i.e. somewhere else)

Yes - haven't necessarily said why, but their comments have been included as per comment

Nos - have put their reasons, and placed in categories according to comments.
