Hever Parish Council – Community Support Grant Application Form

Each year HPC allocates a limited amount of funding to support parish projects and assets. If you wish to apply for a grant please complete the application form below and return to the clerk at least 2 weeks before the next meeting. Please note, if funding is no longer available, your application will be considered in the next financial year

Section 137 of the Local Government Act, 1972 allows a local authority to incur expenditure which in their opinion is in the interests of, and will bring direct benefit to, their area or any part of it or all or some of its inhabitants.

Section 19(3) of the Local Government (Miscellaneous Provisions) Act 1976 gives a local council the power to make grants to voluntary organisations.

Name, address and contact number of main contact	John hodson
Name and address of Organisation requesting grant	Four elms church acting as landlord for four elms parish room
Description of project / intended use for funding / date the funding is needed	Replace a very old oil boiler which provides heating for the building. Without a functioning boiler the PR would be unlettable. replacement has been ordered for dec 12 installation. This hopefully will remove worry of winter breakdown. It will also leave the PR account with very little surplus for contingencies
Details of individuals / groups involved in planning	Four elms church PCC[john/christina hodson]welly boots childrens daycare[Kelly the proprietor
Total project cost	£5000
Amount requested from HPC	£500
Other sources of funding considered / applied for	Four elms fete committee...£500
Who will benefit from this project	Currently welly boots which will be able to continue in the provision of essential wrap around care before and after school

<p>over what time period? How will this be demonstrated?</p>	<p>for children at four elms school as well as nursery facilities during the day. Although the PR is an asset of the church it is not used as essentially a place for religious services. It is renting the room to an organisation which is providing services which are an undoubted benefit to the community. This can be seen by the demand for places at the PR</p>

Hever Parish Council annually sets a community support budget in order to provide financial assistance to a range of organisations, projects and activities which provide services for local residents.

The budget is discretionary funding and as such is separate from any other services which the Parish Council may fund under contract to fulfil statutory obligations or the delegated works of its Committees.

Hever Parish Council & The Clerk is available to anyone in the parish to assist community groups / projects in a number of ways;

- with further grant searching through local, regional and National bodies
- assistance with project planning
- A local council may also make loans to voluntary organisations in relation to running village halls (this may be a direct loan during the current year, from accumulated revenue, or unspent capital receipts).
- A local council which purchases equipment or building materials or pays for building work for a village hall, may reclaim VAT under section 33 of the VAT Act 1994, provided a number of conditions are met.
- A local council can also give practical help to the running of a local charity in many ways, for example; encouraging local people and organisations in the area to use and support activities and events
- calling a parish meeting to help organise fund raising activities
- facilitating use of parish noticeboards
- providing information and advice about other local authorities / groups
- raising the profile of the group / project

The Parish Council may wish to seek evidence against all or some of the following criteria:

- there is clear evidence of local need or demand for the proposed project/activity
- the grant will help provide a facility or service that will be of real and direct benefit to local residents
- the project/activity is properly thought through, is viable, of good quality and will ensure proper use of public funds, providing best value and value for money
- the organisation/project demonstrates clear knowledge and commitment to equal opportunities and Health & Safety.

The focus of the bulk of the grant process will primarily be for organisations/projects located within Hever, Four Elms and Markbeeceh Parish

BUDGET FOR GRANTS/DONATIONS

Please do come to the meeting to present your application if you would like to.

MONITORING AND EVALUATION

The development of monitoring and evaluation systems, particularly in respect of outcomes, is an area of good management practice all voluntary sector organisations should be prioritising. The Parish Council would welcome the provision of findings from grant aided organisations/projects.

Please contact in the first instance the Clerk and Financial Officer to Hever Parish Council (clerk@hever.org) and see the website (hever.org) for more information and dates of full council meetings should you wish to attend.
