Hever Parish Council annually sets a community support budget in order to provide financial assistance to a range of organisations, projects and activities which provide services for local residents.

The budget is discretionary funding and as such is separate from any other services which the Parish Council may fund under contract to fulfil statutory obligations or the delegated works of its Committees.

Hever Parish Council & The Clerk is available to anyone in the parish to assist community groups / projects in a number of ways;

- with further grant searching through local, regional and National bodies
- assistance with project planning
- A local council may also make loans to voluntary organisations in relation to running village halls (this may be a direct loan during the current year, from accumulated revenue, or unspent capital receipts).
- A local council which purchases equipment or building materials or pays for building work for a village hall, may reclaim VAT under section 33 of the VAT Act 1994, provided a number of conditions are met.
- A local council can also give practical help to the running of a local charity in many ways, for example; encouraging local people and organisations in the area to use and support activities and events
- calling a parish meeting to help organise fund raising activities
- facilitating use of parish noticeboards
- providing information and advice about other local authorities / groups
- raising the profile of the group / project

The Parish Council may wish to seek evidence against all or some of the following criteria:

- there is clear evidence of local need or demand for the proposed project/activity
- the grant will help provide a facility or service that will be of real and direct benefit to local residents
- the project/activity is properly thought through, is viable, of good quality and will ensure proper use of public funds, providing best value and value for money
- the organisation/project demonstrates clear knowledge and commitment to equal opportunities and Health & Safety.

The focus of the bulk of the grant process will primarily be for organisations/projects located within Hever, Four Elms and Markbeech Parish

MONITORING AND EVALUATION

The development of monitoring and evaluation systems, particularly in respect of outcomes, is an area of good management practice all voluntary sector organisations should be prioritising. The Parish Council would welcome the provision of findings from grant aided organisations/projects.
