

Here for you

A guide to support that might be able to help you

We know it is a difficult time for everyone with the rise in the cost of living. In this leaflet you can find useful websites, organisations, and advice to help you with rising costs. There is support available both locally and nationally for a wide range of issues.

Pension credit

Pension Credit gives you extra money to help with your living costs if you are over State Pension age and on a low income. Pension Credit can help with housing costs such as ground rent or service charges. If you get Pension Credit you may get other help, such as:

- Housing Benefit if you rent the property you live in
- Winter Fuel Payment
- Support for Mortgage Interest if you own the property you live in
- Council Tax discount
- Free TV licence if you're aged 75 or over
- Help with NHS dental treatment, glasses and transport costs for hospital appointments, if you get a certain type of Pension Credit
- Help with your heating costs through the Warm Home Discount Scheme
- Discount on the Royal Mail redirection service if you're moving house

When you apply for Pension Credit your income is calculated. If you have a partner, your income is calculated together.

Pension Credit tops up:

- your weekly income to £227.10 if you are single
- your joint weekly income to £346.60 if you have a partner

If your income is higher, you might still be eligible for Pension Credit if you have a disability, you care for someone, you have savings or you have housing costs.

For more information, please visit www.gov.uk/pension-credit or call the Pension Credit claim line on 0800 99 1234. A friend or family member can call for you if you cannot use the phone.

Help for Families

Kent County Council is working with schools to make sure that families who are eligible for benefits related to free school meals will receive vouchers to feed their children during school holidays. You will get a voucher per eligible child, which can be spent in supermarkets and local shops.

If your child gets free school meals because they are in year 2 or below, you will still need to apply for benefits related to free school meals to get vouchers during the holidays. Contact your child's school if you are unsure what arrangements are being put in place for your family.

Childcare

All Parents of children aged 3 to 4 years old can access 15 hours of free childcare. It does not matter how much you earn or how many hours you work. Some parents of children under the age of 3 may be entitled for free childcare. Currently, parents of 2 year olds can access 15 hours a week of free childcare if they are in receipt of income support benefits, such as Universal Credit, and earn less than £15,400.00 a year, for more information please visit <https://www.gov.uk/help-with-childcare-costs>

To work out what you are entitled to please visit www.gov.uk/childcare-calculator

Families can receive up to £2,000.00 a year per child or £4,000.00 if their child is disabled to put towards the cost of childcare. Money can help towards the cost of holiday clubs, before and after school clubs, childminders and nurseries, and other approved childcare schemes.
